NYACCE

New York Association for Continuing Community Education

January 10, 2011

Dear Colleague:

You are invited to join ***NYACCE*** in honoring our state's outstanding teachers at the ***60th Annual NYACCE Conference "NYACCE Leading the Field"*** at **The Saratoga Hilton** 534 Broadway Saratoga Springs, New York. The conference dates are May 1 –3, 2011.

Please consider nominating an outstanding adult educator to represent your program. The recipients, selected by committee, will be honored at the ***NYACCE 2011 Teacher Recognition Awards Ceremony Luncheon*** at **The Saratoga Hilton** at noon Monday May 2, 2011. NYACCE welcomes nominations of teachers who represent different fields of adult learning such as community education, family literacy, workforce development, alternative education, distance learning and other programs as appropriate.

NYACCE, the New York Association for Continuing/Community Education, represents agencies and programs throughout New York that are committed to providing lifelong learning opportunities for adults. Teachers are a vital component of every program serving adult learners and are responsible for *"making a difference"* in the students' lives. All program administrators submitting nominations **must** be ***NYACCE*** members and may submit **one nomination per separate category.** Other ***NYACCE*** members may recommend a nomination to a program administrator for submission.

It is important that all nominations follow the attached guidelines and that Teacher Narrative Consent Form and Nomination Narrative be completed. Nominations must be received by **Tuesday, February 15, 2011. *This is the final deadline.***

The sponsoring agency will be responsible for all expenses incurred by their recipient in connection with attending the Teachers' Recognition Luncheon at the ***NYACCE*** Conference. Additional details regarding the Teachers' Recognition Luncheon will be forwarded in March to those programs whose teacher nominee has been selected.

Thank you for your participation in this exciting conference and event!

Sincerely,

Gail Tauber
